

PEERS - Program for Excellence in Education and Research in the Sciences

PEERS Student Name: <i>Please print legibly.</i>		Student ID#:	
--	--	---------------------	--

Poster #:		Presenter's Name:	
------------------	--	--------------------------	--

Directions: Ask the presenter(s) to 'walk you through' their poster. Explain to them that this is part of an assignment to learn about research. If you don't understand something in their research presentation, ask questions! They will be happy to explain it to you! When you are done, don't forget to thank them. When filling in this form, try to keep to the space allotted and print clearly. If you need to, continue writing on the back. Return the filled-out form and the clipboard to the PEERS table near the entrance.

1. In your own words, what was the overall goal of the research presented on this poster?
2. What attracted you to this poster? Why did you choose to visit this particular poster?
3. Name one thing you learned while visiting this poster that you didn't know before.
4. Do you think you might like to work on this research project? ____Yes ____No
Why?
